

Fine Line Tattoo Academy

Trainings & Information
2025

„I recently completed a tattoo course at Bunami Ink Academy before Christmas, and I couldn't be more impressed with the experience. From start to finish, the course was incredibly well-structured, Alina was so friendly and willing to answer all my many questions ... I especially appreciated how personal the course felt ... I would highly recommend Bunami Ink to anyone looking to start their tattoo career or simply refine their skills in fine line“
